## HERE WE ARE AGAIN

Anil Kulkarni  
Chairman  
Annual Conference 2021  
CMD  
POOJA CASTING PVT. LTD.,

Dear Friends,

On behalf of Great Diecasting Technology Forum , it gives me great pleasure to announce two days annual virtual conference 'Casting Resilient Future'. There will be expert presentations on the various subjects which I trust will be very beneficial to the delegates as all of us work hard to tide over the present difficult and disruptive times.

The conference also includes Panel Discussion, Best Casting Competition and Project Presentations by the teams of various companies, which further add value to the conference.

In all, we can look forward to a rewarding two days with your active participation on 5th & 6th October 2021.

## PROJECT COMPETITION (9th Year)

In Today's Globalised and highly competitive environment "Keep improving" is the essential route to survival and success. Foundries will need enthusiastic, imaginative and systematic people to achieve the goal of 'continuous improvement'. Competition encourages people to further work in areas such as productivity improvement, cost reduction, energy saving and quality improvement, to name a few. GDC TECH Forum believes that the project competition will help in developing good foundry people who will contribute significantly to the well-being of the companies.
