Dear GDC Tech members,

It is my pleasure to invite you to visit China this year.

GDC Tech forum' proudly announces its next 'overseas industrial exhibition visit' to the land of opportunities.

CHINA DIECASTING FAIR will showcase the solutions of whole die casting industry chain and lead the development trend of the industry into the future.

This year, GDC Tech forum is organizing an "Indian delegation", to visit in CHINA. The event is to be held in Shanghai, China

Visit to a foreign land is incomplete without having a taste of its local culture and food. As part of this visit we will be going for some sightseeing.

GDC Tech forum organized a successful visit to USA last year 2024. Due to limited availability, we had a delegation of 30+ members.

2025's CHINA DIECASTING TRADE FAIR visit will be another feather in GDC's cap successful run of delegations to overseas industrial shows.

Please join us on this exciting technological visit. We look forward to welcoming you on the trip!

With best regards,

Anil S. Kulkarni
